Has the honour to solicit

for the Chitaldevy
Municipality from
1st July 1895 on account
of the collection of Octroi
duty on certain Excisable
Articles sanctioned in
Proceedings of Govern-
ment No. 15812-4 dated
L.T.214-93
22d March 1894. The
duty leviable on these
Articles during the
current year was, as
an experimental
measure, leased out for
a net sum of Rs: 1,600/.

but the Government in their Proceedings No 589 dated 2.732 93
13th July 1894, observed that the system should not be continued next year without special orders. The tax is a new one and has been framed out for one year. By departmental management for a similar period, the Board would be enabled to arrive at a fairly accurate estimate of its Annual income from this source. Hence the present proposal. The Village servants cannot possibly cope with this work for the proper performance of which the establishment recommended seems absolutely necessary. In the budget for 1895-96, the receipts will be estimated at Rs: 2000/. and the expenditure at Rs: 400, the net revenue being the same as in 1894-95.
